

## HCC Board of Directors Meeting, 21 March 2012

### Minutes

---

Present: Lauralee, Ross, Ben, Laura, Emily, Scott, Kaitlin

### Discussions and decisions:

#### Crosstown Connector

---

Ben and Ross had a consultation session with the HRM Transportation Standing Committee  
CTC Agricola route was well-received, got positive feedback  
There was interest in using 30km/h zones (*this could be a research topic for a future board meeting*)

Public consultation for the CTC is this Thursday, March 29<sup>th</sup> 7 pm at the Bloomfield Centre – AND  
April 3<sup>rd</sup> at the Forum.

#### Canbike session

---

March 22<sup>nd</sup> – Laura and Scott will attend

#### Ezgi's summer work term with HCC

---

Ezgi is a student at Dal's college of sustainability. She has a 60-hour unpaid work term to spend with the HCC. Her proposal is to review the HCC membership structure, payments, benefits (discounts, etc.).

#### The HCC AGM

---

Is scheduled for June 21<sup>st</sup> in the planning building on Sexton campus  
This means we need to start thinking about who wants to be on the board

#### T-Shirts

---

As of six weeks ago we had 12 men's shirts and a lot of women's shirts

A previous purchase of 73 t-shirts cost \$897 (12.30 per shirt)

MEC donated a large portion of shirts last time so we will ask if they can do this again

**Kaitlin and Theresa** (?) will explore printing and pricing for t-shirts at stores other than MEC to see if we can get a better deal

#### Website

---

Kaitlin suggested finding a volunteer to manage the website, someone we could send updates to. This would keep the formatting consistent and cut down on board member's time (especially those of us who aren't familiar with managing websites).

For those who are interested we can set up a training session with Bruce so he can show other board members how to update and add content to the website

**Lauralee** will set a date for a training session with Bruce

**We also need someone to be a designated responder to comments and questions posted on the website.**

## Safe Trucks Campaign

---

A campaign for increased safety precautions for large trucks, to prevent accidents involving cyclists  
The Toronto Cyclists Union has asked for a letter of support from the HCC. Ross and Lauralee will research and write a letter.

## Bike Week

---

Responses to funding proposals will be coming in early April.  
Business awards will be happening at the kick-off party  
**Kaitlin** suggested a bike parade, will need to figure out route, time, theme

**Emily** will look into finding donations of bike lights

There were two film suggestions for the movie night:
